- Disabled space users must clearly display a valid blue badge or University special needs parking permit and a valid ticket from the machine.
- Parent and child space users must have one or more infants or children with them using the car for the visit and display a valid ticket from the machine.
- Parking is permitted in the coach parking bay to the east of the building provided that the area is not closed off (e.g. with cones, barriers or measures to that effect) for coach parking.
- Coaches can park free of charge in the coach parking bay. The area will be reserved for coaches when they are expected to visit, to prevent unauthorised car parking.
- On occasion when events are held at the Sports Centre outside of the normal opening hours stated in this policy, free parking will be available with no time limit and it will not be necessary to obtain a ticket from the parking machine.

Enforcement

Specific parking enforcement arrangements are in use on the Sports Centre Car Park and Sports Field Car Park for Sports Centre users only, during the times when tickets are required for these car parks. The arrangements allow Sports Centre users that have had their vehicles immobilised in these car parks to pay the wheelclamp removal fee immediately, or alternatively opt to receive a bill, to enable payment at a later date.
