

BIOGRAPHY

Sharon Holder
National Officer
GMB Public Services Section

- Worked for GMB in a full-time capacity for over 18 years representing health service workers.
- Represents GMB members at national level on a range of policy, political and industrial forums.
- Extensive experience in both Health and Social Care, particularly in the independent Care Sector.
- One of the founder architects of the AfC pay system and is a member of the NHS Staff Council, Staff Council Executive and the national Social Partnership Forum.
- GMB, in the Health Sector, represents over 30,000 members employed in various occupational groups from cleaners, porters and catering staff to admin & clerical staff, ambulance personnel, nurses and managers.
