F. Electronic Text Databases

I have shared responsibility for the compilation and publication of the following major electronic text databases or corpora during and since my (joint) directorship of CAMET and UCREL:

- 1978: *Lancaster-Oslo/Bergen Corpus of British English* ('LOB') (1 million words; subdivided into 15 genres of written language, and 500 text samples). Published with Manual of Information.
- 1986: *Lancaster-Oslo/Bergen Corpus of British English* ('LOB'): the grammatically tagged version. Published with Manual of Information.
- 1987: *Lancaster/IBM Spoken English Corpus* (53,000 words of formal English speech, including a number of parallel versions: sound recording, orthographic transcription, prosodically transcribed version, grammatically tagged version, and skeleton parsed version). Chief editors: G.Knowles and P. Alderson. Published with Manual of Information.
- 1992: *Lancaster Parsed Corpus*: A representative subcorpus of the Lancaster-Oslo/Bergen Corpus, consisting of 144,000 words of syntactically analysed sentences sampled from 15 text categories. Published with Manual of Information.
- 1994: *The British National Corpus (BNC)*: A corpus of 100 million words of British English (90 million of written and 10 million of spoken data). Grammatically tagged at Lancaster University. The corpus compilation was a collaboration between Oxford University Press, Longman, Chambers Harrap, The British Library, Lancaster University and Oxford University Computing Services. Published October 1994; BNC Users Reference Guide published in 1995.
- 1999: *The British National Corpus*: The BNC Sampler corpus (2 million words): a scaled-down version of the BNC.
- 2000: *The British National Corpus (BNC2)*: World-wide release, with improved tagging.

- 2003: POS-tagged version of the *Freiburg-Lancaster-Oslo/Bergen Corpus* ('FLOB') and the *Freiburg Brown Corpus* ('Frown') (in collaboration with Prof. C. Mair, Freiburg University, and N. Smith, Lancaster University)
- 2003: *The Trainline Speech-act Annotated Corpus*. (to be distributed by UCREL, Lancaster University.)
- 2004: *BT Oasis Corpus of Speech-Act Annotated Telephone Dialogues* (to be distributed by HCRC Edinburgh, with the permission of BT)
- 2006: *Lancaster-1931 Corpus* (also called *B LOB*) A 1-million-word corpus of written (published) British English, comparable in design and sampling to other corpora of the Brown Family of corpora (e.g. LOB, FLOB) (in collaboration with N. Smith). This corpus contains texts sampled from 1931 and from three years before and after that year: i.e. 1928-34.

NOTE: Most of the above electronic corpora are available (or will shortly be so), subject to copyright requirements or user licenses, from one or both of the following agencies: the Oxford Text Archive, Oxford University; and the AKSIS Centre, Bergen.

G. Editorships and Membership of Advisory / Editorial Boards

- Joint General Editor of the *Longman Linguistic Library* 1970-1982.
 Joint General Editor of the series *Learning about Language* (Longman) 1982-.
 Joint General Editor of the series *Studies in Language and Linguistics* (Longman) 1982-2002.
 Member of the Advisory/Editorial Boards of the following:
 journals: *English Language and Linguistics*, *Language and Literature*, *Poetics Today*, *Text & Talk*, *Zeitschrift für Anglistik und Amerikanistik*.
 book series: *Research in Corpus and Discourse* (Continuum); *Studies in Corpus Linguistics* (Benjamins).

III OTHER ACTIVITIES

a. Conference Organization, etc.

- Organiser of International Conference on Computers and English Language Research, Windermere, UK, 29th May-1st June, 1984 (the sixth ICAME Conference)
- Director and Joint Director of British Council Special Courses on Computers in English Language Education and Research, Lancaster, 16th-30th September 1984; 13th-27th September 1987; 3rd-15th April 1991.
- Joint Director of British Council Special Course on English Grammar in Language Learning, Lancaster, 13-25th September 1986.
- Programme Organizer, Speech and Language Technology Club Workshop on Corpus Resources (Sponsored by the Department of Trade and Industry), Wadham College, Oxford, 3rd-4th January 1990.
- Joint Organizer, Workshop on Computerized Spoken Discourse, (Sponsored by ESRC), Lancaster, 25th-27th September, 1993.

Chair and convenor, Corpus Annotation Subgroup, Text Corpus Working Group, EAGLES (=Expert Advisory Groups on Language Engineering Standards), DG XIII, European Commission, 1993-5.

Chair and convenor, Integrated Resources Working Group, LE-EAGLES, DG XIII, European Commission, 1997-8.

Joint Convenor, with Mick Short, of the *Style in Fiction* Symposium of PALA (the Poetics and Linguistics Association) at Lancaster University on 11th March, 2006.

Member of the Organizing Committee, ICAME30: the thirtieth ICAME conference, held at Lancaster University, 27th-31st May 2009.

Member of the Organizing Committee, Survey of English Usage Symposium (celebrating the fiftieth anniversary of the Survey of English Usage, University College London) held at London University, 14th July 2009.
