

CANDIDATE'S SHEET

You're planning to go on holiday with your friends to a lake in the summer. A foreign friend of yours (the examiner) is happy to help you with the planning. Discuss the following:

- How to travel?
- Where to eat?
- Where to sleep?
- What to do?

*Prompts for the interlocutor:*

You think that

- the best way to travel is by train.
- the candidate and his/her friends can make pasta or sandwiches for themselves.

You advise the candidate not to sleep in a tent as it may be rather uncomfortable.

You have lots of worries such as

What will you do if

- you get lost?
- you get sick?
- you run out of money?
- it rains all the time?
- etc.
