Think about the following ideas:

Prompts for the interlocutor:

Accept the candidate's ideas but ask him/her to be more specific. E.g.:

- Which school events shall we choose?
- Which part of the school building shall we show?
- What statistics shall we include?
- Whose opinion shall we include?
- What shall we show in the pictures/diagrams/etc.?

Ask the candidate to justify his/her choices. E.g.:

- Why do you think children may be interested in that?
- Why would that be good as advertisement?

Ask for more ideas. E.g.:

- What else is good about our school?
- What else could be interesting for primary school pupils?
