

CANDIDATE'S SHEET

Your foreign friend is staying with you. Unfortunately, you will be busy all day tomorrow so you will not be able to spend the day with him/her. Discuss with your guest (the examiner) about what he/she could do.

Include the following:

- explain the situation and apologise
- give advice how to spend the day
- suggest a place where to eat
- how to contact you in case your guest needs some help

Prompts for the interlocutor:

You would like to see some sights in the morning and go to the swimming pool in the afternoon. You do not mind taking some sandwiches with you. You will have your mobile phone with you.

Ask

- about entry fees and opening hours as appropriate.
- for directions to get to the chosen places.
- about how to use public transport (if appropriate)
- when the candidate will be back and where the two of you should meet.
- for a map.
