You are a trainer and you have been asked to write an essay to be published in *'Secrets of Successful Training'* about the summer school held in Dobogók_ between 24 June and 2 July 2005. Write an essay in 96 words and send it to the editors' email addresses by 30 July the latest.

In your essay you should include the following points:

- Guidelines for grouping and regrouping techniques
- Assessment of participants' performances during the Activity nights (on the basis of the Common European Framework of Reference)
- Inter-participant, intra-participant reliability (punctuality)
- Participants' attitude to trainers (elicitation techniques, intervening, back channel signals)
- Argumentation about culinary issues (rely on the categories of the rating scale: food types quantity, quality, frequency)
- Other worries and doubts

Without lifting any chunk from the task prepare a communicatively relevant as well as a cohesive and coherent piece of writing logically sequenced and appropriately paragraphed with all the content points fully elaborated.

Dear Editor,
