

## **Directions to the Conference**

### **If arriving by rail**

On-demand taxi services are available from the railway station outside the north-bound exit. The best drop-off point is John Creed Avenue. Fares average about £7.50 and the journey takes 10-15 minutes depending on traffic.

The bus journey takes roughly 20-25 minutes. The X1 bus service runs between the Railway Station and the University every 20 minutes. Buses (numbers 2, 2A, 3 and 4) also leave regularly from Common Garden Street in the city centre. Common Garden Street is a five minute walk from the railway station: leave the station on the south-bound side, turn left and walk down the hill towards Waterstone's. Cross at the lights and then turn right, then turn left just past the covered market. You should alight at the underpass (where all buses stop).

If you choose to use neither Common Garden Street nor to leave direct from the railway station, Lancaster's main bus station is situated on Damside Street, and the university is served from there by the same numbered buses as above.

For further information call 'Traveline' on 0871 200 22 33.

### **If arriving by car**

Leave the M6 motorway at junction 33 (Lancaster South) and take the A6 north towards Lancaster (Note junction 34 is also signposted Lancaster, but takes you to the wrong side of town). For Lancaster University turn right at the third set of traffic lights on the A6 into the University main drive.

The best car park to use is the visitors' parking on North Drive, accessed by turning left at the roundabout, following the perimeter road round, and then turning left into Rosendale Avenue. Pay and display permits are available there at £3 / day.
