Some information

- “LT8” is Management School Lecture Theatre 8. This is immediately adjacent to the east entrance to the Management School building.
- “Lab1” is Management School Computer Lab 1. This is across the corridor from LT8.
- Tea breaks, and lunch on Thursday, will be served in the area directly outside the two teaching spaces.
- The Management School Café and lavatories can be found by following the main corridor a few dozen metres further into the building.
- Lab1 is booked for the Summer School for the whole of Wednesday, Thursday and Friday, so you can use it to check email during breaks if you wish. You will need to use your temporary network account to log on and use the web.
