

**HAPPY NEW YEAR TO YOU ALL**

**ANNUAL BADMINTON TOURNAMENT 2012**

**19 March to Thursday 29 March**

**Yes, it's come round to that time of year again, when we start preparing for the annual tournament.**

**As we are all aware, it is becoming increasingly difficult to find club members to fulfil fixtures throughout the season. People retiring, job commitments, starting a family, all these change our priorities and make the club captains jobs difficult. Yet, we struggle on and I am here again trying to entice you all to come and catch up with friends and take part in the Annual Tournament that reminds us why we do belong to the League, not just book a court for a game once in a while.**

**Should you struggle to find a partner in your own club for an event, ask someone from another club or let me know and I'll do my best to find someone for you.**

**Please don't be shy, come and enjoy our tournament. I do.**
